SUPPLEMENTARY INFORMATION:

Background. On July 5, 2013, the Commission determined that responses to its notice of institution of the subject five-year reviews were such that full reviews pursuant to section 751(c)(5) of the Act should proceed (78 F.R. 42546, July 16, 2013). A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements are available from the Office of the Secretary and at the Commission's Web site.

Participation in the reviews and public service list. Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in these reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission's notice of institution of the reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list. Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to

the reviews. A party granted access to BPI following publication of the Commission's notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

DEPARTMENT OF LABOR

Employment and Training Administration

[TA-W-83,058]

Sysco Denver LLC, a Subsidiary of Sysco Corporation, IT Department, Denver, Colorado; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated October 1, 2013, a worker requested administrative reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers and former workers of Sysco Denver LLC, a subsidiary of Sysco Corporation, IT Department, Denver, Colorado (subject firm). The negative determination was issued on September 17, 2013 and the Department's Notice of determination was published in the **Federal Register** on October 24, 2013 (78 FR 63498). Workers at the subject firm were engaged in activities related to the supply of information technology (IT) services.

The negative determination was based on the Department's findings that, with respect to Section 222(a) and Section 222(b) of the Act, Criterion (1) has not been met because a significant number or proportion of the workers in such workers' firm, have not become totally or partially separated, or threatened with such separation.

In addition, the group eligibility requirements under Section 222(e) of the Act have not been satisfied because the workers' firm has not been publicly identified by name by the International Trade Commission as a member of a domestic industry in an investigation resulting in an affirmative finding of serious injury, market disruption, or material injury, or threat thereof.

The request for reconsideration alleges that the two workers at the subject firm location were part of a larger worker group (those supplying IT services at various Sysco Corporation facilities) and that IT functions are being outsourced to India.
