TÜRK TİCARET EVLERİ
TURKIC TRADE HOUSES

REGULATION OF THE TURKIC TRADE HOUSE

PREAMBLE

In conformity with the objectives laid down in Article 2 of the Nakhchivan Agreement establishing the Cooperation Council of the Turkic Speaking States (Turkic Council), since 12 November 2021, the Organization of Turkic States (OTS).

Based on the general instruction of the Heads of States of the OTS to create favorable conditions among the member states by taking necessary measures to increase trade and investment,

Desiring to help the member states to expand their trade volume, facilitate the export process and strengthen their commercial position in each other markets,

Recognizing the importance of traditional trade promotion mechanisms in the member states such as the national chambers of commerce and industry, export and investment promotion agencies, trade associations, trade representatives and missions abroad,

Conscious of the usefulness of existing trade houses in their respective economies and their role in the development of international trade,

Bearing in mind the proposal of the OTS Working Group on Economic Cooperation at its tenth meeting in Bishkek in 2018 to establish the new export promotion mechanism such as trade house,

The OTS member states agree to establish the Turkic Trade House brand with the following functioning mechanism:

ARTICLE 1 NAME AND DEFINITIONS

1. This brand shall be known as the “Turkic Trade House”(hereinafter referred to as the “TTH). Other abbreviations used in the text will be as follows:

Regulation of the Turkic Trade House: Regulation

Turkic Chamber of Commerce and Industry: TCCI

Licensor: Organization that gives to another person or organization an official permission to use the TTH brand.

Licensee: A person or organization who is accorded with an official permission to use the TTH brand.

ARTICLE 2 OBJECTIVES

TTH brand name is established to conclude with financially self-sufficient licensees the license agreements to use the TTH brand. Objectives are to:

1. Promote member states' foreign trade and the international activity of their companies, and help companies to better compete globally.
2. Offer the existing trade houses registered in member states a platform to network proactively, and exchange information and experiences.
3. Establish streamlined channels ensuring the continuous exchange of business information related to trade and investment opportunities in member states.
4. Identify potential business partnerships and help companies to find suitable strategic partners or further their business goals in other member states.
5. Provide Member States' companies with an extended business network through organizing different meetings, including special networking events attended by industry leaders, politicians, and other influential figures.
6. Enable Member States' companies to benefit from a higher level of marketing support and brand exposure and raise their goods and services profile among potential partners and clients.
7. Act as a services provider, offering Member States' companies a wide array of business-focused information, advocacy, and advisory services.
8. Perform and take on additional operations capable of promoting the objectives described above.

ARTICLE 3 LEGAL STATUS AND LEGITIMACY

1. TCCI shall act as the Licensor and the owner of the name TTH and various other intellectual property and materials that together constitute the brand image.
2. TCCI shall, in coordination with the OTS Secretariat, have the right to grant licenses of some or all of the brand content to interested entities, in line with the Regulation.
3. TCCI will be accountable to the Member States for all issues related to the TTH brand.

ARTICLE 4 POLICY AND STANDARDS

1. TCCI and the OTS Secretariat shall develop Policies and Standards necessary to describe business location features and conduct under the TTH brand. TCCI and the OTS Secretariat

shall have the right to amend existing Policies and Standards, when required. Licensees are sought to meet the following minimum standards and services:
