**Sayın Üyemiz,**

Ticaret Bakanlığı İthalat Genel Müdürlüğü'nden alınan bir yazıda, Dışişleri Bakanlığı'ndan alınan bir yazıya atıfla, Namibya Tarım, Su ve Toprak Bakanlığı Mühendislik Genel Müdür Yardımcısı Felix Ndinamwene ile bir görüşme gerçekleştirildiği belirtilmektedir.

Söz konusu görüşmede, anılan Namibyalı yetkilinin Namibya'nın 28.000 hektar tarım arazisine sulama altyapısı sağlamayı hedeflediğini, bu amaçla Namibya Hükümetince 11 adet tarımsal yeşil proje üzerinde çalışıldığını, sözkonusu projelerin yerli veya yabancı yatırımcılara tahsis edilmesinin öngörüldüğünü, yatırımcıların proje kapsamındaki tarlalarda tütün hariç her türlü mahsulü yetiştirme ve ihraç etme hakkına sahip olacağını belirttiği kaydedilmektedir. İlaveten duruma göre proje hisselerinin tamamının yabancı yatırımcılara tahsis edilmesinin mümkün olabileceğini, yazılı olarak talep edildiği takdirde ülkemiz için iki ya da üç projenin hususi olarak ayrılabilceğini, ekli notta paylaşılan Neckartal, Tandjieskoppe ve Katima Farm/Liselo sulama projelerinin teklif toplama sürecinin devam ettiğini; tarımsal yeşil proje ihale duyurularının yerel gazeteler, sosyal medya ve Tarım, Su ve Toprak Reformu Bakanlığı'nın internet sitesi (www.mawf.gov.na) üzerinden yapıldığını ifade ettiği aktarılmaktadır.

Yazıda devamla, görüşme esnasında adı geçen Namibyalı yetkilinin, günlük 10-20 ton kapasiteli, paketleme de yapabilen 30 ton kapasiteli çeltik işleme makinesine ve buğday ve mısır işleme makinesine ve ayçiçek yağı üretim makinesine ihtiyaç duyulduğunu, bu malzemelerin ülkemizden ithalinin değerlendirilebileceğini dile getirdiği kaydedilmektedir.
