Sayın Üyemiz,

T.C. Ticaret Bakanlığı İhracat Genel Müdürlüğünden alınan bir yazıda, Meksiko Büyükelçiliği Ticaret Müşavirliğimizden alınan bir yazıya atıfla; Meksika “Meksika Ulusal Alüminyum Sanayi Odası-La Camara Nacional de la Industria del Aluminio (CANALUM)” üyesi 6 firmanın, bahse konu Birlik aracılığıyla Müşavirliğimize başvurduğu ve Türkiye’de ikili iş görüşmeleri yapma talebinde bulunduğu belirtilmektedir.

Bu kapsamda, mezkûr firmaların tamamının Türkiye’ye gelerek ikili iş görüşmelerinde bulunabilmelerini teminen bir sektörel alım heyetinin düzenlenmesinin faydalı olacağı Müşavirliğimizce değerlendirilmekte olup, CANALUM tarafından Müşavirliğimize iletilen mektup ile söz konusu firmalara ilişkin bilgiler ekte sunulmaktadır.

Bilgilerini rica ederim.

PRESENT

Dear Mrs. iNAL

We are writing to express our sincere gratitude for the invaluable support provided for the rapprochement between Turkish and Mexican companies for the Sectoral Purchasing Mission program in Türkiye.

Mexican aluminum companies are excited to participate in this purchasing mission and establish links with potential business partners in Turkey. We strongly believe that combining our strengths and experiences can generate results that drive economic growth and job creation in both countries.

We recognize the role your Office has played in promoting trade relations between our two countries. Its commitment to strengthening economic ties has been crucial in fostering the exchange of business opportunities and the generation of new collaborative projects.

Participation of renowned companies that are part of this Chamber will certainly contribute to the success of the buying mission. For this reason, we provide you with the information of the companies that we propose to participate in the program, whose data we share in the annex to this letter, and to whom we have asked to expand their information according to the format previously received from your office.
