Konu: ABD / Hat Borular Anti-Damping ve Telafi Edici Vergi Önlemleri Nihai Gözden Geçirme Soruşturmaları

Sayın Üyemiz,

T.C. Ticaret Bakanlığı İthalat Genel Müdürlüğünden alınan bir yazıda, Amerika Birleşik Devletleri (ABD) tarafından ülkemiz menşeli “**Hat Borular**” ithalatına karşı 1 Aralık 2015 tarihinden bu yana anti-damping ve telafi edici vergi önlemleri uygulanmakta olduğu ifade edilmektedir.

Diğer taraftan, ABD'nin ilgili mevzuatları uyarınca anti-damping ve telafi edici vergi soruşturmalarında dampingin/sübvansiyonun mevcudiyeti ile zararın mevcudiyetinin iki ayrı kurum tarafından incelenmekte olduğu; ABD Ticaret Bakanlığı Uluslararası Ticaret İdaresi (ITA) tarafından dampingin ve sübvansiyonun mevcudiyetine yönelik, Uluslararası Ticaret Komisyonu (ITC) tarafından ise mevcut damping ve sübvansiyon uygulamalarının ABD yerli üretimine zarar verip vermediğine yönelik ayrı soruşturmalar yürütülmekte olduğu ifade edilmektedir.

Bu çerçevede, adı geçen ABD'li kurumlar tarafından 1 Mayıs 2026 tarihli ABD Resmi Gazetesi'nde yayımlanan ve birer örneği ekte gönderilen bildirimlerle ülkemiz menşeli “hat borular” ithalatına uygulanmakta olan anti-damping ve telafi edici vergi önlemlerine yönelik nihai gözden geçirme soruşturması (sunset review) başlatıldığı belirtilmektedir.

Devamla, bu süreçte ITA ve ITC tarafından ilgili taraflarca verilen cevapların “yeterli” olup olmadıklarının incelenmesini müteakip bir “tam gözden geçirme soruşturması” (full review) veya bir “hızlandırılmış gözden geçirme soruşturması” (expedited review) yürütülmesine karar vereceği belirtilmektedir. Hızlandırılmış gözden geçirme soruşturmasının yürütülmesi durumunda, mezkur otoritelerin soruşturmaya ilişkin kararlarını “mevcut en iyi bilgilere” (facts available) dayanarak aldığı ifade edilmektedir.

Bu itibarla, dampingin/sübvansiyonun mevcudiyetini değerlendirecek olan ITA'nın yürüteceği soruşturmaya taraf olmak isteyenlerin, **soruşturma açılış bildirimimin ABD Resmi Gazetesi'nde yayımlanmasından itibaren (1 Mayıs 2026) en geç 10 gün içerisinde ITA ile temasa geçerek soruşturmaya taraf olma niyetlerini yazılı olarak sunmaları gerektiği belirtilmektedir.** Taraf olunmasını müteakip ilgili tarafların “tam ve kapsamlı” (complete substantive responses) yanıtlar sunabilmeleri için soruşturma açılış bildirimimin ABD Resmi Gazetesi'nde yayımlanmasından itibaren **(1 Mayıs 2026) 30 gün içerisinde ABD'nin 19 CFR 351.218 (d)(3) simgeli mevzuatında yer alan soruları yanıtlayarak ABD makamlarına sunmaları gerektiği** ifade edilmektedir. Adı geçen mevzuata <https://law.justia.com/cfr/title19/19-3.0.2.4.1.html#19:3.0.2.4.1.2.2.18> adresinden erişilebileceği belirtilmektedir.

Ayrıca, zararın mevcudiyetini değerlendirecek olan ITC'nin yürüteceği soruşturmaya taraf olmak isteyenlerin soruşturma açılış bildirimimin **ABD Resmi Gazetesi'nde yayımlanmasından itibaren (1 Mayıs 2026) 21 gün içerisinde ITC ile temasa geçerek soruşturmaya taraf olma niyetlerini**

Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise for in accordance with the final results of this review.

For Pipe & Piling, we will instruct CBP to assess antidumping duties on all appropriate entries based on the dumping margin listed in the “Final Results of Review” section, above. For Evraz, we will instruct CBP to assess antidumping duties on all appropriate entries at the rate equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(1)(i).

Commerce intends to issue assessment instructions to CBP regarding Pipe & Piling and Evraz no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date in the **Federal Register** of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Pipe & Piling will be equal to the dumping margin established in the final results of this review; (2) for previously reviewed or investigated companies not listed above, the cash deposit will continue to be the company-specific rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review or the less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be the rate established for the most recent segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 12.32 percent, the all-others rate established in the LTFV

investigation.<sup>13</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Administrative Protective Order (APO)

This notice serves as the only reminder to parties subject to an APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

### Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the pertinent statute and Commerce's regulations, Commerce's schedule for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the public on Commerce's website at the following address: <https://enforcement.trade.gov/sunset/>. All submissions in these Sunset Reviews must be filed in accordance with Commerce's regulations regarding format, translation, and service of documents. These rules, including electronic filing requirements via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), can be found at 19 CFR 351.303.

In accordance with section 782(b) of the Act, any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. Parties must use the certification formats provided in 19 CFR 351.303(g). Commerce intends to reject factual submissions if the submitting party does not comply with applicable revised certification requirements.

### Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested

parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation. Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.<sup>1</sup>

### Information Required From Interested Parties

Domestic interested parties, as defined in sections 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with Commerce's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, Commerce will automatically revoke the order without further review.<sup>2</sup>

<sup>1</sup> See *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19*, 85 FR 41363 (July 10, 2020).

<sup>2</sup> See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, Commerce's regulations provide that *all parties* wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that Commerce's information requirements are distinct from the ITC's information requirements. Consult Commerce's regulations for information regarding Commerce's conduct of Sunset Reviews. Consult Commerce's regulations at 19 CFR part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at Commerce. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>3</sup> An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the day on which it is due.

In prior proceedings we have encouraged interested parties to provide an executive summary of their comments, including footnotes. In these sunset reviews, we request that interested parties provide at the beginning of their comments, an executive summary for each issue raised in their comments. Further, we request that interested parties limit their public

executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the decision memorandum that will accompany the notice to be published in the **Federal Register**. Finally, we request that interested parties include footnotes for relevant citations in the public executive summary of each issue.

#### Carbon and Alloy Steel Wire Rod From Algeria: Initiation of Countervailing Duty Investigation

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable April 27, 2026.

**FOR FURTHER INFORMATION CONTACT:** Joshua Nixon, Office VIII, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-8361.

#### SUPPLEMENTARY INFORMATION:

##### The Petition

On April 6, 2026, the U.S. Department of Commerce (Commerce) received a countervailing duty (CVD) petition concerning imports of carbon and alloy steel wire rod (wire rod) from Algeria, filed in proper form on behalf of Charter Steel, Commercial Metals Company, Liberty Steel USA, Nucor Corporation, and Optimus Steel, LLC (collectively, the petitioners), domestic producers of wire rod.<sup>1</sup>

Between April 10 and 20, 2026, Commerce requested supplemental information pertaining to certain aspects of the Petition in supplemental

questionnaires.<sup>2</sup> Between April 15 and 22, 2026, the petitioners filed timely responses to these requests for additional information.<sup>3</sup>

In accordance with section 702(b)(1) of the Tariff Act of 1930, as amended (the Act), the petitioners allege that the Government of Algeria (GOA) is providing countervailable subsidies, within the meaning of sections 701 and 771(5) of the Act, to producers of wire rod in Algeria. Consistent with section 702(b)(1) of the Act and 19 CFR 351.202(b), for those alleged programs on which we are initiating a CVD investigation, the Petition was accompanied by information reasonably available to the petitioners supporting their allegations.

Commerce finds that the petitioners filed the Petition on behalf of the domestic industry, because the petitioners are interested parties, as defined in section 771(9)(C) of the Act. Commerce also finds that the petitioners demonstrated sufficient industry support with respect to the initiation of the requested CVD investigation.<sup>4</sup>

#### Period of Investigation (POI)

Because the Petition was filed on April 6, 2026, the POI is January 1, 2025, through December 31, 2025.<sup>5</sup>

#### Scope of the Investigation

The product covered by this investigation is wire rod from Algeria. For a full description of the scope of this investigation, see the appendix to this notice.

#### Comments on the Scope of the Investigation

As discussed in the *Preamble* to Commerce's regulations, we are setting aside a period for interested parties to raise issues regarding product coverage (*i.e.*, scope).<sup>6</sup> Commerce will consider all scope comments received from interested parties and, if necessary, will consult with interested parties prior to the issuance of the preliminary determination. If scope comments

include factual information, all such factual information should be limited to public information.<sup>7</sup> Commerce requests that interested parties provide at the beginning of their scope comments a public executive summary for each comment or issue raised in their submission. Commerce further requests that interested parties limit their public executive summary of each comment or issue to no more than 450 words, not including citations. Commerce intends to use the public executive summaries as the basis of the comment summaries included in the analysis of scope comments. To facilitate preparation of its questionnaires, Commerce requests that scope comments be submitted by 5:00 p.m. Eastern Time (ET) on May 18, 2026, which is the next business day after 20 calendar days from the signature date of this notice.<sup>8</sup> Any rebuttal comments, which may include factual information, and should also be limited to public information, must be filed by 5:00 p.m. ET on May 28, 2026, which is 10 calendar days from the initial comment deadline.

Commerce requests that any factual information that parties consider relevant to the scope of this investigation be submitted during that period. However, if a party subsequently finds that additional factual information pertaining to the scope of the investigation may be relevant, the party must contact Commerce and request permission to submit the additional information.

#### Filing Requirements

All submissions to Commerce must be filed electronically via Enforcement and Compliance's Antidumping Duty and Countervailing Duty Centralized Electronic Service System (ACCESS), unless an exception applies.<sup>9</sup> An electronically filed document must be

<sup>7</sup> See 19 CFR 351.102(b)(21) (defining "factual information").

<sup>8</sup> The deadline for scope comments falls on May 17, 2026, which is a Sunday. Commerce's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day (in this instance, May 18, 2026). See 19 CFR 351.303(b)(1) ("For both electronically filed and manually filed documents, if the applicable due date falls on a non-business day, the Secretary will accept documents that are filed on the next business day.")

**SUPPLEMENTARY INFORMATION:**

**Background.**—On December 1, 2015, the Department of Commerce ("Commerce") issued a countervailing duty order on imports of welded line pipe from Turkey (80 FR 75054) and antidumping duty orders on imports of welded line pipe from South Korea and Turkey (80 FR 75056). Following the five-year reviews by Commerce and the Commission, effective June 30, 2021, Commerce issued a continuation of the countervailing duty order on welded line pipe from Turkey and antidumping duty orders on imports of welded line pipe from South Korea and Turkey (86 FR 34720). The Commission is now conducting second reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to

conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

*Definitions.*—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Countries* in these reviews are South Korea and Turkey.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, the Commission defined a single *Domestic Like Product* consisting of certain welded line pipe, coextensive with Commerce's scope. In its expedited five-year review determinations, the Commission defined a single *Domestic Like Product* consisting of certain welded line pipe, coextensive with Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, the Commission defined the *Domestic Industry* to include all U.S. producers of certain welded line pipe. In its expedited five-year review determinations, the Commission defined the *Domestic Industry* to include all U.S. producers of certain welded line pipe.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

*Participation in the proceeding and public service list.*—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Charles Smith, Office of the General Counsel, at 202–205–3408.

*Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.*—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

*Certification.*—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in

internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

The deadline for filing such responses is 5:15 p.m. on June 1, 2026. Pursuant to § 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is 5:15 p.m. on July 13, 2026. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings. Also, in accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). **SUPPLEMENTARY INFORMATION:**

*Background.*—On December 29, 2004, the Department of Commerce (“Commerce”) issued a countervailing duty order on carbazole violet pigment 23 from India (69 FR 77995) and antidumping duty orders on carbazole violet pigment 23 from China (69 FR 77987) and India (69 FR 77988). Following first five-year reviews by Commerce and the Commission, effective May 27, 2010, Commerce issued a continuation of the countervailing duty order on imports of carbazole violet pigment 23 from India (75 FR 29719) and antidumping duty orders on imports of carbazole violet pigment 23 from China and India (75 FR 29718). Following second five-year reviews by Commerce and the Commission, effective November 17, 2015, Commerce issued a continuation of the countervailing duty order on imports of carbazole violet pigment 23 from India and antidumping duty orders on imports of carbazole violet pigment 23 from China and India (80 FR 71773). Following third five-year reviews by Commerce and the Commission, effective June 15, 2021, Commerce issued a continuation of the countervailing duty order on imports of carbazole violet pigment 23 from India and antidumping duty orders on imports of carbazole violet pigment 23 from China and India (86 FR 31699). The Commission is now conducting fourth reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

*Definitions.*—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Countries* in these reviews are China and India.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the
